## Mistreatment

In 2011, respondents were presented the following clarification text prior to the mistreatment questions:

Mistreatment either, intentional or unintentional, occurs when behavior shows disrespect for the dignity of others and unreasonably interferes with the learning process:

Examples of mistreatment include sexual harassment; discrimination or harassment based on race, religion, ethnicity, gender, or sexual orientation; humiliation, psychological or physical punishment and the use of grading and other forms of assessment in a punitive manner.
